WELCOME BACK A**C**M**S** FAMILIES!

We are excited for your students' return to campus. In order to come onto campus, your child must be checked in via ParentLocker before they are allowed on campus. Please follow these steps: For Video Support Click Here

ParentLocker Instructions for <u>Smartphones</u>

1. Download the app from your app store.
   PICK THE PURPLE APP (NOT THE WHITE ONE)

2. Put in your activation code (first time only) -- this was sent in an email. Look for the email from Email@parentlocker.com

3. Open the app and put in your code.

4. Most days you will get a notification around 7:00 AM to complete the health survey. If the survey does not come through a notification, just open the app on your phone and complete the survey.

ParentLocker Instructions for <u>Computers/Chromebooks</u>

1. Open the ParentLocker app on your Classlink page.

2. Put in your activation code (first time only) -- this was sent in an email.
   Look for the email from Email@parentlocker.com

3. Once the app is open, go to COVID-19 Screening.

4. Answers the questions, sign, and submit. It will look like this if you are cleared for work or school.
