

John and Jacquelyn Miller
Elementary School

Home of the Jaguars

Mrs. Tara Goines, Principal
Mr. James Chavez, Assistant Principal

Dear Miller Families,

I am thrilled to introduce myself as the new Assistant Principal for John and Jacquelyn Miller Elementary School. I hope everyone has enjoyed a restful and pleasant summer break. As we embark on this new academic year, I want to personally extend a warm welcome to each and every one of you. Also, I would like to shout-out to our first incoming 7th grade class as they continue their academic progress with us for the upcoming school year.

This school year promises to be filled with opportunities for growth, learning, and achievement for all students. Our dedicated staff is committed to creating a positive and supportive environment where every student can thrive, both academically and emotionally. We believe in fostering a sense of community, encouraging curiosity, and celebrating the diverse talents and perspectives that each student brings to our school.

As we start this journey together, I encourage you to stay engaged and take full advantage of the resources and opportunities available for all Miller families. We have multiple opportunities present on campus for parents to be involved in their student's education. In addition, open communication between parents and the school is vital, so please feel free to reach out with any questions, comments, or concerns. As Assistant Principal, I want to personally assure you that we are here to support you and ensure that every student that comes through our doors has a successful and fulfilling year.

I look forward to working with you and witnessing the many accomplishments and milestones our students will achieve. When we work together, there is no limit to how high our students can achieve. Here's to a fantastic year ahead filled with learning, growth, and success!

Thank You,

James Chavez
Assistant Principal
John and Jacquelyn Miller Elementary School
