# **School Description**

West Wind Elementary School is committed to educational excellence, empowering all students to reach their full potential. Our school, in partnership with the community, will prepare students for the future as responsible citizens and lifelong learners.

Each student is a valued individual with a variety of needs. We are committed to supporting each individual's needs and preparing students with the skills necessary to succeed in an increasingly complex informational society. The ability to process and manipulate information has already become an important determinant of economic success for individuals as well as states and nations. In this new informational age, the ability to gather and distribute information through electronic communication is vital. Therefore, West Wind Elementary School's vision is to promote students who are comfortable with, and proficient in, using grade-level appropriate educational technology to succeed in a rapidly changing world.

#### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

# **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All books are in good to fair condition

# School Facility Conditions and Planned Improvements (Most Recent Year) General

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

#### **School Buildings**

West Wind (then named Lancaster Elementary) was built in 1990 as a temporary facility. It was renamed when a permanent facility was completed in 2003. The main building houses the front, health, and principal's offices, multipurpose room, cafeteria, staff lounge, and library. There are 33 classrooms - 33 permanent.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

# **Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The Supervisor of Operations works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### **Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2017-18 school year, the district has budgeted \$1,518,339.38 for the deferred maintenance program.

# **B. Pupil Outcomes**

# State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Students with Disabilities	14	12	85.7	41.7		

<sup>\*</sup> Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Foster Youth	15	15	100	13 33				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

# Opportunities for Parental Involvement (School Year 2017-18)

Parent involvement is highly valued at West Wind Elementary. Parents, guardians, grandparents, aunts, and uncles sign up to volunteer in classrooms, at our annual Back-to-School Night, and in our school office throughout the year. Volunteers represent West Wind on site committees such as ELAC (English Learner Advisory Committee) and SSC (School Site Council. School Site Council) meets regularly to address the effectiveness of school programs and curricular materials relative to the goals of the school and to address other relevant academic issues making sure the budget is aligned to the goals. Parents represent West Wind on DELAC (District English Learner Advisory Committee). They share/network with other schools and the district, bringing back ideas and activities that enhance our site. The SAC (Superintendent's Advisory Committee) brings our parents to the table with our district Superintendent. Again, ideas and activities, as well as concerns, are shared with the Superintendent to help improve school sites. Every semester, the principal holds several community meetings inviting parents to learn and talk about school wide issues and activities.

West Wind has many school and community activities planned throughout the year. Each month, family members are invited to join their child for lunch at "Lunch on the Lawn". Activities held throughout the year include – movie nights, book fairs, fund raisers, Fall Festival, the Annual Geography Bee, November Food Basket Drive, and Spring Basket raffles. West Wind could not be as effective as it is without our wonderful and dedicated volunteers.

There are numerous other ways to get involved in your child's education.

For further information, contact West Wind Elementary's Office at (661) 948-0192.

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **School Safety Plan**

Safety Plans are revised and reviewed annually with the staff and School Site Council at the beginning of each school year. Key elements addressed by the plan include:

- Child abuse reporting procedures
- Disaster procedures regarding teacher notification of dangerous students
- Sexual harassment policy
- School-wide dress code
- Provisions for safe ingress and egress to and from school
- Provisions for a safe and orderly environment conducive to learning
- Rules and procedures on school discipline
- Procedures for reporting hate crime
- Emergency response procedures
- Bullying prevention, programs, and reporting procedures
- Suicide prevention policy and programs

A full description of all elements is available from the school office or from the Pupil Safety and Attendance Department of the District Office.

# **Professional Development provided for Teachers**

The Lancaster School District provides professional development throughout the school year that trains and supports staff in the effective implementation of our adopted core and cornerstone programs including, but not limited to: 21st Century Instructional Strategies, Unit and Lesson Design and Delivery, Data Analysis, Leadership Training, Writing Instruction, Coaching, Direct Instruction, Conceptual Development, Building Academic Vocabulary, Culturally Responsive Teaching and Learning (including Capturing Kids Hearts), Integrating Technology into the Classroom, PBIS, Intervention, and Differentiation in Strategies for teaching EL, GATE, and at-risk students. High-quality, ongoing professional development opportunities are recognized as an important component in our work towards continuous improvement in student learning.

Ongoing opportunities include in-services during and after the work day as well as through site and district in-class and on-site coaching. All teachers are provided multiple opportunities to receive optional paid professional development. The 2016-17 school year calendar allows for 38 minimum days in which 17 days are utilized to provide 1-2 hours of district and site designed professional development specific to their needs. Outside workshops, conferences and other in-services that provide more in-depth training and further prepare our staff members to become trainers for our district are available as approved by the Board of Trustees.

Professional development supporting our instructional programs and services for students is also provided for our classified staff members. Additionally, workshops designed to improve technology skills, provide training with key software programs utilized in the district, and offer information on personal excellence and social responsibility are included in the professional development course offerings for classified staff throughout the school year.

# **Types of Services Funded**

Local Control Funding Formula (LCFF) Base, Supplemental, and Concentration funds are utilized as outlined in the Local Control Accountability Plan (LCAP) to insure that all students receive the intervention or enrichment support and services that are needed to help them become proficient in academic areas and details the actions associated with meeting the specific needs of English Learners, foster and homeless youth, and low-income students. Before and after school tutoring for at risk and EL students may also be available through Title I funding.

<u>DataQuest</u>
DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print
documents.
