Good evening New Vista Families!

March 14, 2021

I hope that you and your family are doing well!

As safety continue to be our number one priority for our students and staff, we do not have an official date for our students to return to campus. We will update you as soon as we receive them from the county and the district. In the meantime, distance learning will continue and our school offices are Monday through Friday, from 7:30 a.m. – 3:45 p.m. Please note that when visiting the office, masks are required and the office area is limited to 3 visitors at a time with six feet of distance.

You are invited to join us for our ELAC meeting tomorrow afternoon at 3:15 p.m. as we focus on our English Language Learners. The link for the meeting has been provided in the email versión of this communication. (Please join us online at

For our families with current seventh and eighth graders: the curriiculum and instruction department of the school district is hosting an important meeting for you on Wednesday, March 17th at 5:30 p.m. to share information about the law that requires comprehensive sex education this school year for our seventh and eighth graders. Please plan to attend this very important meeting using this link to get to the information and to get access to the meeting the link: <https://www.smores.com/c1s24>

The week of March 22 to March 26 is spring break and our schools will be closed.

State testing is scheduled to begin for middle school students on May 3, 2021. Please review the testing letter that has been attached to the email version of this week's communication for more information. The letter is also posted to the Tiger News and Updates section of our school website.

New Vista's meal service for children ages 1 to 18, continues on Tuesdays, Thursdays, and Fridays from 10 a.m. to 12:30 p.m. Student school supplies and computer headsets are also available at our meal service drive-through/walk-up area.

We encourage our students to seek support from our teachers during our support hours on Monday, Wednesday, Thursday, and Friday this week from 1:15 p.m. to 3 p.m. Students should use this time to also complete their homework, and work in i-Ready math and reading. Students who need additional support after 3 p.m. now have access to **Tutor.com** on their ClassLink page for personalized tutoring help.

If you have any questions or student issues logging into distance learning, please reach out to us at school between the hours of 7:30 a.m. to 3:45 p.m., at 726-4271. We have several staff members available to support online learning throughout the school day.

Thank you for your time and for your support of our college and career bound Tigers!
Principal Cochran
