Good evening New Vista Families!

August 30, 2020

We hope you and your family are healthy and doing well! As we enter this new school week, our focus is on completing our i-Ready math and reading diagnostic assessments.

We are excited to share that we celebrated numerous students this week with praise and rewards for great attendance in our online classes with many more to come in the following weeks!

I am extremely proud of our students, our teachers, and all they are accomplishing in our online learning environment! If you have any questions or student issues logging into distance learning, please reach out to us at school between the hours of 7:30 a.m. to 3:45 p.m., at 726-4271. We have several staff members available to support online learning throughout the school day.

I would like to remind you that our students and parents are encouraged to connect with teachers for extra support after classes have concluded on Mondays, Wednesdays, Thursdays, and Fridays till 3:00 p.m. through the teachers' Webex page.
