

ParentLocker Instructions for Smartphones

1. Download the app from your app store.
2. Put in your activation code (first time only) -- this was sent in an email. Look for the email from Email@parentlocker.com
3. Open the app and put in your code.
4. Most days you will get a notification around 7:00 AM to complete the health survey. If the survey does not come through a notification, just open the app on your phone and complete the survey.

ParentLocker Instructions for computers/chromebooks

1. Open the ParentLocker app on your Classlink page.
2. Put in your activation code (first time only) -- this was sent in an email. Look for the email from Email@parentlocker.com
3. Once the app is open, go to COVID-19 Screening.
4. Answers the questions, sign, and submit. It will look like this if you are cleared for work or school.
