

SIERRA ELEMENTARY SCHOOL

SCHOOL COVID-19 HEALTH & SAFETY READINESS

Use of Face Masks- Face Masks are utilized by all teachers, staff, students and visitors.

Physical Distancing- All staff and students maintain 6 FT of separation with signage, floor marking and wall reminders.

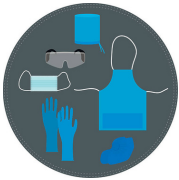

Handwashing and Hygiene- Hand Sanitizers and soap are available to each classroom and handwashing will be encouraged often.

Cleaning and Disinfecting- Classroom and facilities have been disinfected and processes are in place for daily cleaning and sanitizing.

Health Screening- Students and employees will be screened daily using the Parentlocker app and additional thermometers in classrooms.

PPE and Cleaning Supplies-Cleaning and disinfecting supplies are made available on a daily basis.

COVID-19 Response and Prevention- As you can see, to prepare for the reopening of our school, Lancaster School District has taken steps to ensure the highest standard of health and safety practices are in place at our schools.

This school health and safety readiness report card highlights the actions taken at our school to ensure they are all safe as possible for students to return. The measures include are certified by your school leader and are updated as needed to ensure that all new efforts toward readiness are reflected.
