

## 24/7/365 on-demand access to affordable, quality healthcare. Anytime, Anywhere.

With MDLIVE, you can visit with a doctor 24/7 from your home, office or on the go. Our network of Board Certified doctors is available by phone or secure video to assist with non-emergency medical conditions.

### Who are our doctors?

MDLIVE has the nation's largest network of telehealth doctors. On average, our doctors have 15 years of experience practicing medicine and are licensed in the state where patients are located. Their specialties include primary care, pediatrics, emergency medicine and family medicine. Our doctors are committed to providing convenient, quality care and are always ready to take your call.

### Are my children eligible?

Yes. MDLIVE has pediatricians on call 24/7/365. Please note, a parent or guardian must be present during any interactions involving minors. We ask parents to establish a child record under their account. Parents must be present on each call for children 18 or younger.
