Good afternoon,

As you may be aware, an incident occurred within our community yesterday that involved a Amargosa Creek student. At this time, the incident is being investigated by local law enforcement.

Please know that the safety of the students of the Lancaster School District is our top priority. As part of this commitment to safety, we work directly with our school deputies and the Lancaster Sheriff's Department to continually promote a safe learning environment districtwide. Additionally, our staff will remain vigilant.

District counselors and psychologists are on campus today, and will continue to be available in the coming days, to provide any necessary support to our students or staff. If you feel your child needs additional support, please contact me should you have any questions or concerns at (661)729-6064.

Thank you,

Mrs. Pullos
