Sierra Elementary Synchronous and Asynchronous Virtual Instruction Schedule

Synchronous learning is online or distance education that happens in **real time**, whereas **asynchronous** learning occurs through online channels **without real-time interaction**.

During **synchronous** learning times, students will interact with teachers via WebEx or Zoom meetings for direct interaction and learning, or ClassDojo for Tk/K/1st during the first weeks, until students are familiar with technology interface.

During asynchronous time, students will complete assignments, Teachers will assign activities and work for asynchronous times.
