

Advancement Via Individual Determination

Regardless of their life circumstances, AVID students overcome obstacles and achieve success. They graduate and attend college at higher rates, but more importantly, they can think critically, collaborate, and set high expectations to confidently conquer the challenges that await them.

K-16 educators are driving student success through engaging, rigorous, and student-centered learning environments.

WestWind Computer Science Magnet School utilizes AVID in grades 3 through 5.

Proven Achievement. Lifelong Advantage.

75% of AVID students are from a low socioeconomic status background, and 80% are underrepresented students. Nevertheless, they outperform their peers in crucial metrics nationwide.
