The PBIS Team and Kindness Week

PBIS is an important way of life at Desert View Elementary School. We have a PBIS Team which consists of staff members who review data on a monthly basis and make decisions based on that data. The team also evaluates and continues to tweak our action plan of PBIS implementation. One new addition to our program is our Positive Office Referral. These referrals allow us to recognize students who are being ***Respectful, Responsible, and Safe*** on a daily basis.

Did you know that PBIS also utilizes exemplary students as part of our team? The PBIS Jr. Stars were a big help for Kindness Week! During the last week of January, the Kindness Committee gave daily kindness challenges for students to complete. We kicked off Kindness Week by having a Kindness Tunnel on Monday the 27th. The Committee also put together a Kindness Note station where students were able to send a kind note to a friend or staff member. A BIG THANK YOU to all of the Jr. Stars for their help:

Makaela M., Harmony M., Melody G., Samantha G., April P., Katherine A., Victoria D., Vidushi G., Elias H., Kayla N. Rudy L., Jaslene C., Audrey R., Kathy H., Tiana M., Johnny Z., Grace C., Katie C., Harmony G.

Thank you to the Kindness Committee: Ms. Briseno, Ms. Peck, Ms. Reyna, Ms. Turriza and Ms. Wilson for all their time and effort to make it a great week for both the students and staff!

Data to Celebrate

According to our data, 1st and 4th grade had the lowest number of office referrals for the month of January! **The following students have been recognized by a staff member who acknowledged them for meeting one or more of our behavior expectations at Desert View:**
