

KEEP THEM LEARNING!!

Monte Vista Teachers have some suggestions for students during Spring break...

1. **READ:** Take a trip to the library and check out a few books for your child to read. Make sure they select books that will hold their interest.
2. **i-Ready:** This is the program the students use while in class. At school, students do 15 minutes of Math and 15 minutes of ELA each day. It is important to keep this progress up over the break so students can continue to work towards their goals!! Teachers can track how much time student are working on i-Ready and may even be offering rewards for usage over the break!!!
