# State Testing Score Access

A new feature has been added to the PowerSchool Parent Portal. Parents can now access the standardized state testing scores for their students online via the parent portal!

After you log in, select the Score Reports link as shown to the right. The default settings appear as shown below.

Assessment Name	Language	Year	Grade	Score Report Link
-----------------	----------	------	-------	-------------------

Once you adjust the year to "All," you will be able to see every state reporting test score that is available from the state, up to three years.

Click on "View" next to the Test for which you wish to see the score report.
