**ParentLocker Instructions for Smartphones**

1. Download the app from your app store.

2. Put in your activation code (first time only) -- this was sent in an email.
   Look for the email from Email@parentlocker.com

3. Open the app and put in your code.

4. Most days you will get a notification around 7:00 AM to complete the health survey. If the survey does not come through a notification, just open the app on your phone and complete the survey.
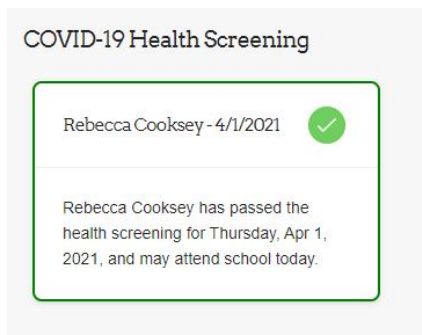

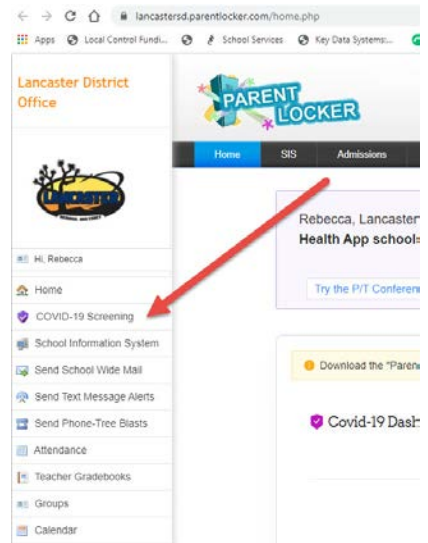

**ParentLocker Instructions for computers/chromebooks**

1. Open the ParentLocker app on your Classlink page.

2. Put in your activation code (first time only) -- this was sent in an email.
   Look for the email from Email@parentlocker.com

3. Once the app is open, go to COVID-19 Screening.

4. Answers the questions, sign, and submit. It will look like this if you are cleared for work or school.
