We remain fully committed to the safety of our entire school community. If your child has symptoms or has been identified as a close contact to someone who is positive for COVID, the school wellness center or health clerk can administer a free COVID test to see if your child is positive or negative for the virus.

We are pleased to be able to offer this convenient and efficient service for **NO COST!** This service will provide Lancaster School District students with a safe, free and easy way to be tested.

A COVID test will be administered by the health clerk or nurse and consists of a quick nasal swab.
