Vision Statement

"High Expectations, Optimal Learning Environments"

Mission Statement

Sierra Elementary is a school committed to educational excellence, empowering all young people to reach their full potential. Our school, in partnership with the community, will prepare students for the future as responsible citizens and lifelong learners.

The following are the focus behavioral skills outlined in the school's Positive Behavioral Interventions & Supports (PBIS) plan:

• Responsible, Respectful and Safe.

Students meet school wide each morning and recite the Pledge of Allegiance along with the Roody Roadrunner Pledge. A PBIS plan is in place where students can earn Blue Roodies for exhibiting these character traits throughout campus. There is weekly recognition at Friday morning assemblies and monthly recognition for model students in each grade level at the Student of the Month assemblies. Attendance incentives are also given at regular intervals.

Our Sierra Elementary staff further supports the development of socio-emotional safety conducive to learning with its delivery or Second Step curriculum instruction and implementation of Capturing Kids' Hearts processes. Our CKH implementation is focused on maintaining an environment in which positive relationships are developed, where relational connectedness between staff, students and families is nurtured, and students are eager to learn.

Schoolwide Focus/Broad Course of Study: We at Sierra Elementary are committed to offering students an enriched curriculum with a variety of educational avenues. In every grade level, we are committed to making sure our students learn and appreciate different elements of the Visual and Performing Arts.

School Profile: Sierra School offers a K-5 educational program in a modified traditional year. The school consists of one principal, one assistant principal, a school counselor, a school psychologist, twenty-nine certificated teachers, and thirty-five classified staff members. Sierra serves a student population of approximately 630 students. In our general education classes - Transitional Kindergarten/Kindergarten through 2nd grade – each class has a maximum of 30 students per class. Third through fifth grade classes have a maximum of 35 students per class. Additionally, we have three special day classrooms.

Sierra School has adopted rigorous curriculum goals that include an emphasis on all students receiving standards-based curriculum. The Sierra teachers and support staff provide instruction based on the California Common Core State Standards. Grade level formative assessments (at least every 8-week period) and summative assessments are administered and analyzed to inform instruction and monitor student progress. The results of these assessments provide a strong emphasis on assessment-based instruction and standardizing instructional practices. Sierra staff believe that our instructional focus on grade level standards, our alignment of curriculum to the state standards, our attention to time-on-task, our implementation of effective instructional strategies (good first instruction) and ongoing assessments will contribute to student achievement gains at Sierra.

Teachers with EL students work in conjunction with the site instructional coach to address the students' needs. There is one bilingual para-educator who supports students and administers mandatory state testing for second language learners. We have a bilingual office assistant in the front office to help parents communicate effectively with the school, and most of our memos and parent communication is disseminated in English and Spanish.

Students with identified learning disabilities have a current Individual Education Program (IEP) which addresses their unique educational needs. Sierra's special education students have complete access to the core curriculum through the coordinated delivery of instruction in the regular classroom. Classroom program modifications/accommodations are coordinated between the classroom teacher and the resource teacher. GATE students are afforded ample opportunities for creative thinking. GATE students receive enrichment and differentiated curriculum within the general education classrooms.

Sierra School has a Visual & Performing Arts (VAPA) focus. Teachers have participated in TEAL/Technology Enhanced Arts Learning professional development and integrate art throughout curriculum to increase students' access to content. Grade levels 2 through 5 participate in a weekly music program with a credentialed music teacher.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web
 page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

General

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2020-21 school year, the district has budgeted \$1,508,500.00 for deferred maintenance projects.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	11	N/A	18	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.
