2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

At Nancy Cory School, we focus on the needs of each student in a nurturing environment, so that students feel accepted, grow academically, and are valued. This is our Mission.

At Nancy Cory School we believe in providing a school climate that maintains excellence in all facets of education, maximizes each child's potential, enhances each student's self image, promotes awareness of the importance of education, fosters a sense of belonging, and inspires in each student a sense of responsibility to the school, respect to self and to others, ownership of one's behaviors and education, the desire to work to be successful and leadership skills that will enable them to successfully navigate through their educational experience and into the future.

Students, parents, and staff work as partners to provide a rigorous education in an environment that encourages all children to become lifelong learners. Students will be thinking, literate, productive, responsible, and ethical individuals who will be able to compete in and contribute to their community. The educational community, as a reflection of society, should demonstrate concern and respect for others.

Nancy Cory Elementary School is a VAPA (Visual and Performing Arts) school. At Nancy Cory, we offer a variety of visual and performing arts opportunities. Throughout the year we have many theatrical and musical performances and events.

Teachers and staff are provided with ongoing targeted professional development and collaborate as Professional Learning Communities to review and interpret data, plan good first instruction and intervention, and implement best practices. We also recognize the need to develop teachers as leaders. We have a strong teacher leadership team that has been tasked with creating multi-tiered support systems (MTSS) and work with other teachers and staff to ensure success. One of our main focuses has been to continue to incorporate Instructional Clarity, MTSS and UDL in conjunction with a strong leadership team and shared leadership.

Nancy Cory School has high expectations for all students. Every day, we focus on Having Respect, Owning our Actions, Working to Succeed, and Leading with Kindness. Our goal is to provide excellence for students each and every day. Every decision, activity and resource at Nancy Cory School is directed toward and must always consider what's best for students.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All adopted textbooks and/or replacement textbooks are in fair to new condition

School Facility Conditions and Planned Improvements

General

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2020-21 school year, the district has budgeted \$2,860,000. for deferred maintenance projects.

New Construction Projects: Installation of a new playground is planned for summer 2023.

Deferred Maintenance Projects: A new roof was installed on the main building in 2020.

The main building was painted in 2021.

The Kindergarten playground was renovated in 2021.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	19	21	12	13	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

At Nancy Cory School we recognize the importance of school-family-community partnerships. We provide for parents, families and community members to be involved in activities, events, and decision making opportunities. We have Parenting Partners, which is a parent leadership training that enables parents to recognize best practices for supporting their children in their education and assist the school with the education process. It also gives them ideas and ways to be directly involved with and support the school community. We also offer various events and activities throughout the school year such as family nights, dances, back to school night, open house, VAPA performances and volunteering opportunities. Parents have the opportunity to be involved with the School Site Council and ELAC, where input and decisions are made about the school plan and how resources are allocated. Nancy Cory School has an active PTO group that supports parent involvement activities and supports students with resources for assemblies and field trips.

Professional Development

The Lancaster School District provides professional development throughout the school year that trains and supports staff in the effective implementation of our adopted core and cornerstone programs including, but not limited to: Teacher Clarity, PLC+, Standards-Based Grading and Reporting, Structured Literacy, Data Analysis, Leadership Training, Writing Instruction, Coaching, Direct Instruction, Conceptual Development, Building Academic Vocabulary, Culturally Responsive Teaching and Learning (including Capturing Kids Hearts), Integrating Technology into the Classroom, PBIS, Intervention, and Differentiation in Strategies for teaching EL, GATE, and at-risk students. High-quality, ongoing professional development opportunities are recognized as an important component in our work towards continuous improvement in student learning.

Ongoing opportunities include in-services during and after the work day as well as through site and district in-class and on-site coaching. All teachers are provided multiple opportunities to receive optional paid professional development. The school year calendar allows for 38 minimum days in which 27 days are utilized to provide 1-2 hours of district and site designed professional development specific to their needs. Outside workshops, conferences and other in-services that provide more in-depth training and further prepare our staff members to become trainers for our district are available as approved by the Board of Trustees.

Professional development supporting our instructional programs and services for students is also provided for our classified staff members. Additionally, workshops designed to improve technology skills, provide training with key software programs utilized in the district, and offer information on personal excellence and social responsibility are included in the professional development course offerings for classified staff throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
